Registration and Tuition:

An annual **\$40.00 registration fee** (nonrefundable) is due at the time of registration for all new and returning students (except those who paid the fee in the summer of 2023). Tuition is due the **FIRST** class of each month.

Parent Observation:

Parent Observation is through SPOT TV. Gleason's gymnastics has installed several cameras in the gym and pays SPOT TV each month to allow the parents to watch their children's gymnastics class from the comfort of their cell phone. Spot TV is an app on your phone that is downloaded and you provide the appropriate information concerning your child and which class that they are attending. Once this has been done, the gym can approve your request and SPOT TV allows you to watch your child during the 'live' feed of their class.

Enrollment:

All applications are acceptable on a first come, first served basis. Various classes are limited in size; therefore, prior registration is required. Students who attended a class last year must reregister for the class they wish to take. **We do not hold spots from year to year.** Registration fee and monthly must be paid prior to a student taking the class. We reserve the right to cancel a class due to insufficient enrollment. You will be notified if this occurs.

Classes start September 6th.
